Dear Sir/Madam, SERVICES

(PA004)

Referring to the site PSK1,

1. Ashwell Fields, it is beyond belief that this totally unsuitable site is the preferred option for development in Bainswick.

Please refer to my letter of 4.12.17 in which were pointed out 10 matters which need serious consideration; and no doubt many more from the total of 17 notices of objection sent to you last year; more objections than for any other site in Stroud District.

Please update me by letter of any further news relating to this site,

yours faithfully,
