Dear Stroud District Council

### **Stroud District Local Plan Review**

As part of our examination of the above Plan main modifications can be recommended if formally requested by the Council. This would only be where changes are required to make the document sound or legally compliant. Can the Council confirm whether it wishes us to recommend main modifications if they are required?

The Council's response on this matter prior to the start of the hearing sessions would be most helpful.

Yours sincerely

*Victoria Lucas and Yvonne Wright*
