Dear Ms O'Leary

Stroud District Local Plan Review Examination

Further to our letter dated 5 February 2024, which mainly refers to the strategic road network issues set out within the November 2023 Joint Action Plan, we write concerning the other Examination issues that were set out in the Council's earlier Action Plan submitted in September 2023. These relate to the identified work streams for housing supply and the new settlements at Wisloe and Sharpness.

We therefore confirm that should the Council (in conjunction with the site promoters and any other organisations listed for these work streams), wish for us to take this evidence into account when we resume the Examination in December 2024, this should be provided in accordance the timescales set out in our previous letter.

If the Council has any queries on this please do not hesitate to contact us through the Programme Officer.

Yours sincerely

Victoria Lucas and Yvonne Wright
