Key Findings and Issues	<ol style="list-style-type: none"> 1. No issues raised in respect of ground by adult club and no difficulties in obtaining pitches for matches or training. No improvements required. Satisfied with provision in district. 2. New changing facilities nearing completion 3. VQA observation that floodlights would be an advantage. Adult pitch has railings and dug outs. 4. South Gloucestershire & Stroud College are based here, together with Berkeley UTC. Currently around 300 students but hoping will grow to c600+in 5 year's time. Do not use playing pitches for sport at the moment, but have arrangements with Hamfields Trust to use the football and possibly cricket pitches as numbers grow 5. In the longer term – 3-5 years – SGS would like to create/consider opportunity with Hamfields Trust, local clubs and other partners for a 3G FTP on the site which would be fully available to the community
