**Categories:** Consultation response

Good morning,

At the last meeting, Nailsworth Town Council considered a response to the consultation on additional housing options for Stroud District's Local Plan Review. NTC would like to comment as follows:

Stroud has a potential shortfall of housing under the existing algorithm and therefore, modifications are proposed to the draft Local Plan. This has been done by identifying two large development sites near the M5. Whilst these do not directly affect Nailsworth, NTC regards this as a sensible means of providing additional land for housing development in the District, and supports the proposal.

Kind regards
