Consultation response form PART B:

If you have several different comments to make, you may wish to use a separate PART B sheet for each one (although you do not have to). If you use multiple PART B sheets, please make sure you fill in your name on each of them (you only have to fill out PART A once, as long as it is clearly attached to your PART B sheets when you submit the forms to us).

The consultation is seeking views about whether the big issues identified within this paper are the right things to focus on and what options exist for tackling them. Are there other issues, options or opportunities that have been missed? **Please note: there is a separate form for you to fill out if your comment relates specifically to a site submission / proposed alternative site (download a copy of the sites form at www.stroud.gov.uk/localplanreview).**

We ask a series of questions (highlighted in pink boxes) throughout the consultation paper. Each of the questions is numbered. Please can you reference the question number(s) and/or the topic here:

Question number: 2.3C

Please use this box to set out your comments:

Land To The East Of Stamages Lane is in a sustainable location and is located within Painswick's settlement boundary that is considered to be an accessible settlement with limited facilities and a third tier settlement, which provides the best opportunity outside the local service centres for growth and greater self containment, as set out in the SDC Local Plan (Nov 2015)

The site is located within the Cotswold Area of Outstanding Natural Beauty (AONB) and is currently in agricultural use as pasture land.

The site currently has an outline consent for the erection of a four bedroom detached dwelling with access not reserved (S.17/0792/OUT). The access gained from Stamages Lane was deemed acceptable to facilitate a residential development and the visibility is good in both directions.

The site at circa 0.8 hectares could accommodate circa 20 dwellings, however design and layout would need to be clearly considered to respect the surrounding AONB designation.

The site is also located to the east of SALA ref: PAI007 (Land at Stamages), which was considered to have future potential to accommodate development. It should be considered that our clients site is must better suited than this site, as it has an existing access and an extant permission for a C3 use.

The site is sufficiently screened from the surrounding open countryside and there would appear to be no overriding physical constraints or potential impacts preventing sensitively located development for a medium scale housing scheme.

Bruton Knowles would like to express that the site is in single ownership and is immediately available and deliverable over the next 5 years. For these reasons the site would make an appropriate residential allocation.

The Stroud District Local Plan Review: Issues and Options Paper identifies a number of sites around the District's main settlements with potential for future growth. The Council is inviting the submission of **alternative potential sites** for consideration as part of the review of the Local Plan, including sites at smaller villages that could also benefit from some future development.

Please use this form to provide information on sites in Stroud District, which you would like to suggest as suitable for:

- New housing development of **five dwellings or more**;
- Sites of **0.25 hectares** or **at least 500 square metres of floorspace**, which could be suitable for economic development, other residential development, retail or community uses.

Please fill out an individual site submission form for each site you would like to submit for consideration. Your form must be accompanied by a site location plan (on an Ordnance Survey base), clearly identifying the site boundaries and the site access point(s).

This call for sites closes **on Tuesday 5th December 2017**. Sites submitted as part of the Local Plan Issues and Options consultation will automatically be considered for inclusion in future updates to the Strategic Assessment of Land Availability (SALA) and the Brownfield Land Register, as appropriate.

Please email completed electronic responses to local.plan@stroud.gov.uk or post paper copies to **Local Plan Review, The Planning Strategy Team, Stroud District Council, Ebley Mill, Westward Road, Stroud, GL5 4UB**. Should you have any queries, the Planning Strategy Team can be contacted on 01453 754143.
