5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

PHSV supports the overall intensions of policy CP5. That said, the approach is very prescriptive in terms of “maximising” a development’s contribution to objectives A to H without recognising other factors which may impact on the availability to do so. We therefore request that this part of the policy be amended as follows:

“Applications for all strategic sites (both residential and non-residential) will be required to provide a statement demonstrating how sustainable construction principles have been incorporated. This should address demolition, construction and long term management. This

*will be expected to show how the proposal maximises its contribution, **subject to technical feasibility and viability considerations**, towards the following objectives:....”*

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please note In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Persimmon Homes Severn Valley (PHSV) is a national housebuilder and controls land identified within the Pre-Submission local Plan identified as proposed allocations, these being: 1) Land south of Wickwar Road, Kingswood (**PS38**), and 2) Cam North West (Land west of Draycott), working alongside Robert Hitchins Ltd (**PS24**). PHSV is therefore well placed to contribute to the Examination and the effectiveness of this policy.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
