We would like to object to the following planning application. Painswick has been changed to a tier 2 status. We have no local services eg bank, post office, etc. The surgery has long waits for appointments, and seems at capacity. The pollution with the traffic at the moment but especially in the summer, is bad with vehicles having to reverse to let cars come in the opposite direction. because the roads are so narrow eg Victoria Street. To propose such a development in Washwell will exasperate the problems we already face, with lack of amenities etc.
