To the Planning Team? 10 JAN 2020

Yes we do need more house

Development Services

But what your planning is for to
B. It more like a Estate
which can cause a lot of trouble
has you will know. The roads are
and will be so busy in around
Berkeley also A38 + M5
Don't tell me they are not going
to have cars to get to work
to take the children to
Doctors or Hospital or to see
family, also there nothing for the
children to do No Swimming Pool
No Cinema No Play Area No Shops
No Bus after 6 o'clock No Trains
No Hospital No Clinic No Dentists
No Banks, School will not cope
Doctor will not cope

L026

All so No Work around here
for 5,000 house

5,000 homes = two People
having one or two children
there going to be about 20,000
people

I just feel it to much
Yes we need homes.

But not that amount.
I think you need to look again.
You have taken up all the
fields Why not plant some
Trees and save the
World
