Sir

TOWN AND COUNTRY PLANNING ACT 1968
APPLICATION FOR LISTED BUILDING CONSENT
SALMON SPRINGS HOUSE, STROUD URBAN DISTRICT

1. I am directed by the Minister of Housing and Local Government to say that he has considered the report of his Inspector, Mr K Dodds, ARIBA, A.M.P.I, Dip TP, on the local inquiry held by him into your clients' application for listed building consent to demolish Salmon Springs House, Painswick Road, Stroud. The application was referred to the Minister for determination in accordance with a direction under Paragraph 3 of Schedule 5 of the Town & Country Planning Act 1968.

2. A copy of the Inspector's report is enclosed. His conclusions were as follows:

i. Bearing in mind his findings of fact he was of the opinion that the reasons given by the applicants were not sufficient to justify the demolition of this listed building.

ii. The evidence adduced by the preservation societies clearly showed that this ancient mill house possessed both special architectural and historic interest and was probably a unique building in the district. The cost of repair and maintenance did not appear to be excessive and, if properly cared for, the structure could have a long and useful life.

iii. Because of its situation in the depot, the building could be put to various purposes, as for example, staff housing, offices or suitable storage, which would not be incompatible with its preservation.

iv. He appreciated that the retention of these premises abutting the service road and yard must cause difficulties and inconvenience to the applicants, but the merits of the building were such as to outweigh those admitted problems which, he feared, would have to be either accepted or resolved in a different fashion. In themselves, they did not constitute a strong enough case to rebut the presumption that a building of the character of Salmon Springs House should be preserved.

The Inspector recommended that listed building consent should not be given.

3. The Minister agrees with the Inspector's conclusions and accepts his recommendation. Accordingly he hereby refuses to grant listed building consent for the demolition of Salmon Springs House, Stroud.

4. A separate note is attached to this letter setting out the circumstances in which the validity of the Minister's decision may be challenged by the making of an application to the High Court.

5. Copies of this letter and the report have been sent to the Gloucestershire County Council and the Stroud Urban District Council.

I am Sir
Your obedient Servant

P. THOMSON

Description of Land

The Coach House, Pitchcombe House, Pitchcombe.
Pitchcombe Parish SO 8408-8508 A Edition.

Description of Works

Internal and external alterations to convert Coach House into one dwelling.

CONDITIONS ATTACHED TO CONSENT AND REASONS THEREFOR:-

- (a) The work the subject of this permission shall be commenced within five years of the date of this Consent.
- (b) All replacement roofing tiles, where used, shall be of natural stone only, to match the existing.
- (c) Any natural stone removed from the boundary wall to create the access shall be used to repair/renovate areas of the wall previously repaired with artificial materials.

Reasons:

- (a) To comply with the requirements of Schedule 18 of the Planning (Listed Buildings and Conservation Areas) Act, 1990.
- (b) In the interests of the visual appearance of the Listed Building.
- (c) To improve the appearance of the development.

Description of Works

Demolition of lean-to's, removal of stair, blocking of inappropriate openings,
unblocking of windows, installation of new stairs and lavatories,
provision of rain-water gutter and pipe.
(Additional plan received 15th May, 1986).

CONDITIONS ATTACHED TO CONSENT AND REASONS THEREFOR

Conditions:

- (a) The work the subject of this permission shall be commenced within five years of the date of this consent.
- (b) Any part of this listed building which, during the course of the alterations hereby approved, is damaged or destroyed, shall be repaired or replaced in the same architectural style and to the same finishing materials as it was prior to damage or destruction.

Reasons:

- (a) To comply with the requirements of Schedule 15 of the Local Government Planning and Land Act, 1980 and Section 56A of the Town and Country Planning Act, 1971.
- (b) To ensure that no material damage is caused to this Listed Building.

N.B. With effect from 7th April, 1986 new procedures become effective when lodging an appeal. In addition to the procedures referred to overleaf a copy of any appeal must also be sent to the Council's Solicitor, Council Offices, High Street, Stroud, Glos. GL5 1AT.

8th July, 1986.

Description of Land

**22/24 Long Street, Wotton-under-Edge.
Dursley Rural District. O.S.Glos.56.15. 1921 Edition.
Wotton-under-Edge Parish.**

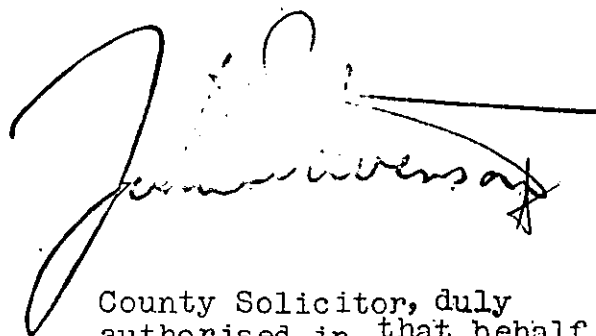

Description of Works

Demolition of a listed building.

The reasons for the Council's decision to refuse Listed Building Consent are:-

This building forms a prominent feature in Long Street, and whilst in itself apart from the cornice it has no outstanding architectural features, it is part of the pleasant street picture. Until the Local Planning Authority are satisfied that the building will be replaced with one suitable for the street scene, they are of the opinion that its demolition would spoil the appearance of the street.

Dated 4th May, 1970.

County Solicitor, duly
authorised in that behalf.

Description of Works

Alteration and improvement and demolition of part
gable end to rear yard. Conversion to habitable dwelling.

CONDITIONS ATTACHED TO CONSENT AND REASONS THEREFOR

Conditions

- (a) The work the subject of this permission shall be commenced within five years of the date of this consent.
- (b) The demolition for which permission is hereby granted shall not be commenced until a contract for the carrying out of the works of redevelopment has been let and a commencement date for the said works agreed and planning permission has been granted for the redevelopment for which the contract provides.

Reasons

- (a) To comply with the requirements of the Local Government Planning and Land Act, 1980.
- (b) In order to ensure that there is no unnecessary delay in the reinstatement of the street scene.

8 The Chipping, Wotton-under-Edge.
Dursley Rural District O.S. Glos. 56.15
Wotton-under-Edge Parish 1921 Edition

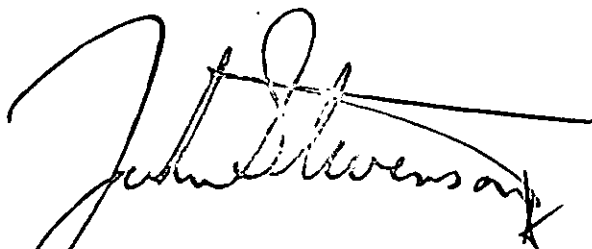

Description of Works

Improvements to a Listed Building.

The reasons for the Council's decision to refuse Listed Building Consent are:-

In the opinion of the Local Planning Authority, the removal and non-replacement of the render would spoil the appearance of this terrace and would lead to the deterioration of this building by the removal of the protective membrane; the wall should be re-rendered to match the adjoining properties and in accordance with the original design.

Dear Sirs

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990
SECTION 20 AND SCHEDULE 3
APPEAL BY MR & MRS FORBES
APPLICATION NO: -S.LBC/68/B

1. I have been appointed by the Secretary of State for the Environment to determine your clients' appeal. This appeal is against the decision of the Stroud District Council to refuse listed building consent for the installation of a chimney at Middle Court, Hyde, Minchinhampton. I have considered all the written representations made by you, the Council and other interested persons, including those representations made directly by other interested persons to the Council and forwarded to me. I inspected the site on 10 October 1995.

2. The hamlet of Hyde comprises a scatter of mainly residential buildings on the north facing slope of the valley of the River Frome, lying within the Cotswold Area of Outstanding Natural Beauty. Middle Court is the central property of three which were formerly a single residence and are included together on a list of buildings of special architectural or historic interest in Grade II.

3. Hyde Court and Middle Court are situated below the level of a narrow lane, behind a shallow strip of garden. They present an elegant, two-storey fenestrated facade to view from the lane. Hyde End, at the east end of the group, stands above the other two properties and further back from the lane. It is approached through a pair of wooden gates which interrupt a high stone wall and lead to a paved courtyard in front of the house. The chimney in question is in place. It is a stainless steel flue, painted silver/grey, which serves an Aga appliance and rises from a basement area on the east flank wall of Middle Court to terminate just below the eaves level of Hyde End.

4. The Planning (Listed Buildings and Conservation Areas) Act 1990 requires that in considering this appeal I should have special regard to the desirability of preserving the listed building or its setting or any features of special architectural or historic interest which it possesses. The Council remind me that Planning Policy Guidance Note 15 (PPG15) has something to say about external features that may require listed building consent, including flues, and advises that "Only undamaging and visually unobtrusive positions for such features should be agreed". I conclude that the principal issue in this appeal is the impact of the installation upon the architectural and historic interest of the listed building.

5. You outline for me in some detail the background to this case and I understand the advantages of an Aga to your client and the problems associated with providing a safe and effective flue. I saw no sign of the internal chimney which plans indicate existed in 1946, before your client purchased the property, and I do not think that objections on the grounds of smell and nuisance are relevant to the question of listed building consent.

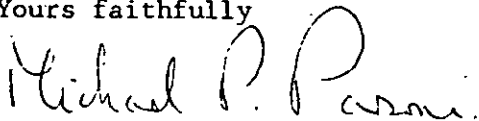

6. Both the Stroud District Local Plan, Deposit Version 1994, and PPG15 identify the possibility of works to listed buildings which will enable them to accommodate continuing or new uses and thus ensure their future. The flue could easily be removed when it reached the end of its life and I agree that its long term effect could be less damaging than an artificial stone chimney. I appreciate that the appellant has tried to restore and sympathetically maintain his building and I recognise the need for a careful balance between conservation and continued economic and viable use.

7. However, it is unfortunate that although the flue is located on a secondary elevation it is visible in views from the lane serving the site and can be glimpsed from a higher lane which 'by-passes' the main part of the hamlet and climbs the hill to Upper Hyde. It appears above a hedge, about 2 m high, in views from the Hyde End courtyard and, notwithstanding the fact that it has been painted to render it less obvious, it is a prominent feature of the group. You point out that the pattern of flue installed is the type commonly in use today and that in the past buildings have been adapted using the most appropriate materials available at the time, but in this case the appellant has introduced an element which is so alien to the period of the listed building as to appear entirely incongruous. In these circumstances I do not consider that the contribution of the flue to the economic and viable use of Middle Court outweighs the extent to which it erodes the architectural and historic interest of a most attractive group of listed buildings.

8. I have taken into account all the other matters raised in the written representations, including the existing asbestos flue on the front elevation of Hyde End and the possibility of alternative painting, but find nothing to overcome the considerations which have led me to conclude that it would be wrong to grant listed building consent for what has been done.

9. For the above reasons, and in exercise of the powers transferred to me, I hereby dismiss this appeal.

Yours faithfully

Michael P Parsons DipArch(UCL) RIBA
Inspector

Wotton-under-Edge Parish. 1921 Edition.

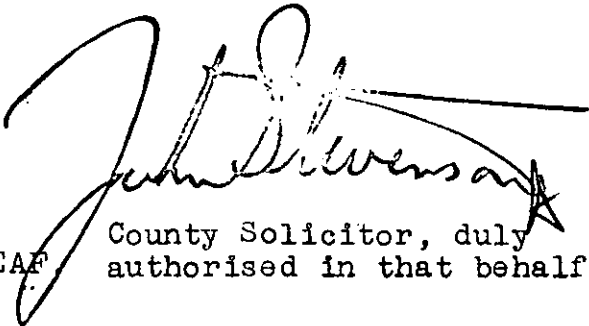

Description of Works
Demolition of listed buildings.

The reasons for the Council's decision to refuse Listed Building Consent are:-

- (a) The demolition of these listed buildings would spoil the historic nature of this street, would completely ruin the intimate enclosed environment that these buildings help to create, and the gap would spoil the pleasant continuity of the facade.
- (b) The site is located in the Wotton-under-Edge potential Conservation Area, and within such an area it is the policy of the Local Planning Authority that gaps should not be created in a continuous building frontage.

Dursley Rural District O.S. Glos. 56.15.
Wotton-under-Edge Parish 1921 Edition

Description of Works
Demolition of Listed Buildings.

The reasons for the Council's decision to refuse Listed Building Consent are:-

- (a) It is the policy of the Local Planning Authority to endeavour to retain as far as possible and practicable the existing facades of Listed Buildings fronting the main streets of the Wotton-under-Edge town centre, in order to preserve the character of the Street scene and the Authority considers that in this case the proposed demolition is not justified.
- (b) This site is within the Wotton-under-Edge Conservation Area and the proposed demolition would create a gap in the continuous frontage contrary to the policies set down for a Conservation Area.
- (c) Notwithstanding reasons (a) and (b) above the Local Planning Authority are not prepared to consider favourably any demolition of any buildings in a Conservation Area of group value until such time as the future of the site after demolition has been established.

Description of Land

57,59,61,63,65,67 and 69 Long Street, Dursley.
Dursley Rural District. O.S.Glos.56.3.
Dursley Parish. 1921 Edition.

Description of Works

Demolition of Listed Buildings.

The reasons for the Council's decision to refuse Listed Building Consent are:-

- (a) It is the policy of the Local Planning Authority to endeavour to retain as far as possible and practicable the existing facades of Listed Buildings fronting the main streets of Dursley, in order to preserve the character of the Street scene and the Authority considers that in this case the proposed demolition is not justified.
- (b) In the opinion of the Local Planning Authority every effort should be made to preserve and restore these buildings which are of considerable group value being in juxtaposition to other Listed Buildings which provides diversity in the Street scene and should be retained.

Dated 6th September, 1972.

IMPORTANT - SEE NOTES OVERLEAF.

County Solicitor, duly
authorised in that behalf.

NOTES

1. If the applicant is aggrieved by the decision of the local planning authority to refuse listed building consent for the proposed works, or to grant consent subject to conditions, he may, by notice served within six months of receipt of this notice, appeal to the Minister of Housing and Local Government in accordance with paragraph 7 of Schedule 5 to the Town and Country Planning Act, 1968. The Minister has power to allow a longer period for the giving of a notice of appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the local planning authority in regard to the proposed works are in progress.

2. If listed building consent is refused, or granted subject to conditions whether by the local planning authority or by the Minister of Housing and Local Government, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any works which have been or would be permitted, he may serve on the council of the county district in which the land is situated a listed building purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part V of the Town and Country Planning Act, 1968.

3. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Minister on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 43 of the Town and Country Planning Act, 1968.

Date and effect of decision of the Secretary of State

Gentlemen

TOWN AND COUNTRY PLANNING ACT 1971 - SCHEDULE 11
APPLICATION FOR LISTED BUILDING CONSENT TO DEMOLISH
65, 67 AND 69 LONG STREET, DURSLEY

1. I am directed by the Secretary of State for the Environment to say that he has considered the report of his Inspector Mr A Cockburn MRTPI, AIAS(TP), who held a local inquiry into the application by your clients, R A Lister and Company Limited, for listed building consent to demolish 65, 67 and 69 Long Street, Dursley. The Secretary of State, in pursuance of paragraph 4 of Schedule 11 to the Town and Country Planning Act 1971, directed that the application be referred to him for decision instead of being dealt with by the local authority.
2. A copy of the Inspector's report is enclosed. Bearing in mind the evidence in his report and his findings of fact he concluded that:-

"The buildings numbered 65, 67 and 69 Long Street, Dursley, are of mid-18th century origin and although, with their Venetian windows, a pleasing example of this period of English architecture, they are nevertheless without any markedly distinctive merit which, alone, would have justified their retention in the public interest. The principal contribution of these adjoining buildings lies primarily in their group value in the street scene but, to an appreciable extent, even this has been diminished following the demolition of the terraced properties to the north-east of the site which formerly completed the street picture.

Internally, the buildings contain an original 18th century staircase, shell coved niche and decorative modillioned cornice in a reasonable state of repair. These are however the only remaining features of intrinsic architectural or historic value and it would appear that renewal of joists and other repair works would result in the loss of much of the decorative plasterwork.

Considerable damage to the internal surfaces and external fabric has been caused by rainwater penetration, due to neglect and by the action of vandals in the removal of the lead sole and flashings to the parapet gutters. This is particularly manifest in the decay of beams, the movement in the front external wall and the presence of dry and wet rot in the principal timbers.

Failure to maintain the buildings in a reasonable state of repair has undoubtedly been influenced by earlier council decisions to include in a Clearance Area and by Dursley Central Area proposals which indi

intention to construct a new roadway across the site of the properties. Such considerations would not seemingly have justified incurring expense to prolong the life of buildings apparently inevitably destined for demolition in the long term.

It is clear that any restoration of the properties would, at this stage, prove an unreasonably costly undertaking and I see no reason to question the estimates of costs for this work which have been submitted by the applicants. It has, in my opinion, been satisfactorily demonstrated that although it would be possible to restore and adapt the buildings to provide residential or office accommodation, this would not, in practice, be an economically viable proposition and the capital cost of the lettable floor space would be disproportionately high.

The concern expressed by amenity organisations for the preservation of these listed buildings and the street scene as a whole can well be appreciated but while I agree that any future redevelopment in Long Street should be of a sympathetic scale and character and unified with the remaining frontages, it is not within the ambit of the inquiry to pronounce on the merits or otherwise of the Central Area proposals which affect the properties in particular and this section of Long Street in general."

3. The Inspector recommended that listed building consent for the demolition of 65, 67 and 69 Long Street, Dursley be granted.
4. The Secretary of State agrees with his Inspector's conclusions. He is satisfied that the rehabilitation of these listed buildings would not be economically viable and that in the circumstances the merit of the buildings is not such as to justify refusal of consent for their demolition. Therefore he accepts his Inspector's recommendation and accordingly hereby grants listed building consent for the demolition of 65, 67 and 69 Long Street, Dursley.
5. Attention is drawn to section 55(2)(b) of the 1971 Act whereby demolition may not be undertaken (despite the terms of this consent) until notice of the proposal has been given to the Royal Commission on Historical Monuments, Fortress House, 23 Savile Row, London W1X 2AA and the Commission subsequently have either been given reasonable access to the building or have stated that they have completed their record of the building or that they do not wish to record it.
6. This letter does not convey any approval or consent required under any enactment by-law, order or regulation other than sections 55 and 56 of the Town and Country Planning Act 1971.
7. Copies of this letter and report have been sent to Stroud District Council.

I am Gentlemen
Your obedient Servant

F J DOLPHIN
Authorised by the Secretary of State
to sign in that behalf

Stroud District Council
TOWN AND COUNTRY PLANNING ACT, 1971

**REFUSAL OF
PERMISSION FOR
DEVELOPMENT**

In pursuance of their powers under the above-mentioned Act, the District Council as Local Planning Authority hereby REFUSE TO PERMIT the development described hereunder.

Description of Development

Demolition

The reasons for the Council's decision to refuse permission are:-

- (a) In the opinion of the Local Planning Authority every effort should be made to preserve and restore these buildings which are of considerable visual value being closely related to other Listed Buildings which provide diversity in the street scene and should be retained.
- (b) In advance of final clarification of the future highway pattern of this part of Dursley proposals for demolition are premature and the future of the site cannot be examined objectively.

Date and effect of decision of the Secretary of State

11.1.90

Description of Land

1/2 Market Square, Minchinhampton.
Minchinhampton Parish SO 8600-8700 A Edition.

Description of Works

Alterations Listed Building. Filling ground floor doorway,
replace window 1st floor level, remove half-glazed door, fixed window,
light in gable end wall, infilling natural stonework.
(Revised details received 23.4.90).

CONDITIONS ATTACHED TO CONSENT AND REASONS THEREFOR:-

Conditions:

- (a) The work the subject of this permission shall be commenced within five years of the date of this consent.
- (b) The infill stonework in the half glazed door and the fixed window light shall be slightly recessed so that the present door and window apertures are retained in outline.

Reasons:

- (a) To comply with the requirements of Schedule 15 of the Local Government Planning and Land Act, 1980 and Section 56A of the Town and Country Planning Act, 1971.
- (b) To maintain the traditional character of this Listed Building.

N.B. With effect from 7th April, 1986 new procedures became effective when lodging an appeal. In addition to the procedures referred to overleaf a copy of any appeal must also be sent to the Council's Solicitor, Council Offices, Ebley Mill, Westward Road, Ebley, Stroud, Glos. GL5 4UQ.

13.9.89

Description of Land

The Garages, The Old Mansion, Far Wells Road, Bisley.
Bisley with Lypiatt Parish SO 9005-9105 A Edition.

Description of Works

Dormer extension to existing garage to form
staff accommodation and garaging.

The reasons for the Council's decision to refuse Listed Building Consent are:

- (a) In the opinion of the Local Planning Authority the building should be retained for its present use ancillary to the Old Mansion which is a Grade II* Listed Building. The loss of part of the building for storage/stabling or garage use would give rise to requests for additional/replacement buildings which could have an adverse effect on the character and setting of this important building within the Conservation Area.
- (b) In the opinion of the Local Planning Authority the design and position of the door and windows on the east elevation are inappropriate and detrimental to the character and appearance of this curtilage Listed Building.

IMPORTANT - SEE NOTES OVERLEAF

Date and effect of decision of the Secretary of State
on appeal or on reference under Section 21
of the T. and C.P. Act 1971.

APPEAL DISMISSED, 2-8-78.

- NOTES:
1. If the applicant is aggrieved by the decision of the District Council as Local Planning Authority to refuse Listed Building Consent for the proposed works, he may, by notice served within six months of receipt of this notice, appeal to the Secretary of State for the Environment in accordance with paragraph 8 of Schedule 11 to the Town and Country Planning Act, 1971. The Secretary of State has power to allow a longer period for the giving of a notice of appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the District Councils Local Planning Authority in regard to the proposed works are in progress.
 2. If listed building consent is refused whether by the District Council as Local Planning Authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any works which have been or would be permitted, he may serve on the council of the county district in which the land is situated a listed building purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971.
 3. In certain circumstances, a claim may be made against the District Council as Local Planning Authority for compensation, where permission is refused by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 171 of the Town and Country Planning Act, 1971.
 4. If any further information is required in connection with this decision, it may be obtained from the District Planning Officer, Kingshill House, Dursley, GLL1 4DA. Please quote the reference number of this refusal in any correspondence.
