Subject: Objection: PS29

Categories: Consultation response

Hi

I would like to register my objection to the proposed housing development on the green field site next to Ganzell Lane, Shakespeare Road, Uley Road referred to as site **PS29**.

This is open green land and close to the distinctive escapement valued by many and once built on is gone forever. I objected to this option when it was proposed previously.

There is significant building on sites already in Dursley, for example the Lister site which will be ongoing for several more years and comprising a vast number of dwellings.

Whilst I appreciate the ever growing need to build more homes, we do need to consider that we exhaust brownfield sites first before considering building on green land. Additionally, that we consider that new dwellings are located close to a range of work opportunities and whilst I understand there are plans to increase employment opportunities, I cannot see how this will offer the range of employment or quantity to negate the need for residents to travel further afield for work. Career options are limited in the area and commuting to Stroud, Gloucester, Bristol and beyond for work is a reality for many and the numbers doing so can only increase adding to the congestion on the roads through Dursley and the wider area.

I would be grateful if you would provide a receipt to acknowledge my email.

Regards
