

Community Infrastructure Levy (CIL)

ANNUAL MONITORING REPORT

2020/2021

Part 1

Report Purpose

- 1.1 This report is required by Regulation 62 of the CIL Regulations 2010 (as amended). This requires CIL Charging Authorities to produce an annual record of CIL receipts and expenditure for each financial year. The report must be published by 31st December each year on the Charging Authority's website. Full details of the requirements of Regulation 62 are provided in Appendix A.
- 1.2 It is not the intention of this report to provide a complete overview to Stroud District Council's adopted CIL policies and processes. The council's CIL pages on the website www.stroud.gov.uk/CIL provide comprehensive information on all CIL matters.
- 1.3 Town and Parish Councils within the district must produce their own reports under Regulation 62A of the CIL Regulations (as amended). A link to the reports produced by each Town and Parish Council in the district can be found on Stroud District Council's CIL web pages.

Introduction - CIL in the Stroud District

- 1.4 The Community Infrastructure Levy (CIL) is a charge on new development to help fund supporting infrastructure across the Stroud District. Stroud District Council implemented its CIL charging schedule on permissions approved on or after the 1st April 2017.
- 1.5 CIL is a charge levied on certain new buildings and extensions according to their floor area. Money raised from development will help the Council pay towards district wide infrastructure priorities to ensure the district grows sustainably.
- 1.6 All planned development is assessed for CIL liability except for major allocated schemes identified in the Council's adopted Local Plan (otherwise referred to as 'Strategic Sites'), Affordable Housing schemes and where there are site specific measures required to make a development acceptable. The needs of these developments are met by legal agreements made under S106 of the Town and Country Planning Act 1990. This report does not include information on S106 receipts or expenditure.

Part 2

CIL Receipts

2.1 CIL receipts are split into three specific funds:

- Strategic
- Parish/Town Council (the 'Neighbourhood Portion')
- Administrative costs

The below table shows the CIL income received in the reported financial year, broken down into each spending category.

Reported timeframe	1st April 2020 – 31st March 2021
Administrative Costs	£25,631.75
Neighbourhood Portion	£86,215.43
Strategic Fund	£400,787.84
Total	£512,635.03

2.2 Strategic CIL monies are collected for the specific purpose of applying them to infrastructure projects that fall within the scope of the Infrastructure Funding Statement (a copy can be found on the website).

2.4 Neighbourhood portions are collected and later paid out as two different rates depending on whether that specific Town or Parish Council has a 'Neighbourhood Development Plan' (NDP). Those with an adopted NDP get 25% of the CIL collected for that area and those without an NDP receive 15%.

2.5 Town and Parish Councils are offered the opportunity to claim their accrued CIL neighbourhood portion in April and October of each year. From the date they receive CIL funding, local councils have 5 years in which to spend the amount claimed.

2.6 If the local Town or Parish Council feel that the amount Stroud District Council has received for their area is too small to support meaningful project delivery within their area, they can elect for the amount to be held on account and carried over to a future financial year if it is less than £500.

2.7 Administrative costs are 5% of the total amount of CIL received in accordance with the CIL legislation. This is used by the council to contribute towards the costs associated with the day to day running of the CIL charging framework.

Part 3

CIL Expenditure

3.1 CIL was implemented in the Stroud District for liable permissions granted from the 1st April 2017 onwards and it has taken some time for these permissions to reach the point of delivery. The previous financial year (2019/2020) was the first year that SDC began allocating strategic funds to approved projects.

3.2 The outcome from the second project allocation process which took place in December 2020 will be detailed within this report.

3.3 Total CIL receipts and expenditure for the reported year (62a & 62b)

Total CIL receipts for the reported year (20/21)	£512,635.02
Total CIL expenditure during the reported year (20/21)	£76,381.32
Total CIL allocated during the reported year (20/21)	£282,050.00

3.4 Summary details of CIL expenditure for the reported year (62c)

- i) Items of infrastructure to which CIL (including land payments) has been applied
- ii) The amount of CIL expenditure on each item

The below projects were granted CIL funding in December 2020 to be spent in during the 2021/2022 financial year. There are expected delays for delivery of some of the projects, largely due to the Covid-19 pandemic.

Project	Outline	Total Project Costs	CIL Funding Approved
Hardwicke Youth Centre	Construction of a designated Youth Centre in an area of significant strategic need (as identified by SDC Youth Service). The area currently has no youth provision and the centre will serve a population from many surrounding parishes, with a significant portion of users travelling from outside the parish.	£90,000	£15,000
Cam and Dursley Greenway	The cycle and pedestrian route largely utilises the disused railway line between Dursley and Cam, linking the two settlements to the railway station. The bid is for design work, which will identify the cost of future construction phases and help plan for these as funds allow.	£50,000	£25,000
Cam and Dursley Rail Station	Creation of a 25 space car park on GCC owned land, cycle racks and passenger	£71,050	£71,050

	shelter. This station is a key commuter hub with priority need for improvements.		
Cainscross segregated cycleway	Upgrade 1.25km of existing advisory cycle lanes to provide light segregation between Lansdown and Cainscross Roundabout. It is a key radial route into the town, connecting to onward cycle routes and forms part of the Gloucestershire Strategic cycle route.	£75,000	£25,000
Stroud to Nailsworth cycle track upgrade	A key cycle infrastructure route linking Nailsworth to Stroud Town. Upgrade work will enhance functionality as a utility route, providing access to schools, employment and key services. Refurbishment of Newman Henders Bridge, the deck is in very poor condition and needs replacing for safety reasons.	£169,000	£116,000
Frampton Cycle Path	Creation of a safe link from the canal to the village on Whitminster Lane. The existing infrastructure is under increasing pressure from visitors from adjacent villages and towns and the completion of the canal restoration work will make current provision inadequate.	£57,500	£10,000
In Cab Technology for Waste Vehicles	Provision of hand-held IT infrastructure and associated software within the district-wide waste vehicle fleet. Will revolutionise how waste collections are managed through the district, providing multiple financial and environmental efficiencies and service improvements to residents.	£120,000	£20,000
		Total	£282,050

iii) The amount of CIL applied to repay money borrowed, including any interest, with details of the infrastructure items which that money was used to provide (wholly or in part)

CIL repayment of monies borrowed	Interest applied (and rate)	Infrastructure items provided
£0.00	£0.00	N/A

iv) The amount of CIL applied to administrative expenses pursuant to Regulation 61 and that amount expressed as a percentage of CIL collected in that year in accordance with that regulation

Total CIL received for administration (20/21)	Percentage allocation	Funding allocated to Stroud District Council
£25,631.75	5%	£25,631.75

3.5 Regulation 62c (a) The amount of CIL passed to i) any Local Council under Regulation 59A or 59B and ii) Any person under Regulation 59 (4)

Councils which appear twice in the table received money in both April 2020 and October 2020.

Local Council (i) or Person/Organisation (ii)	Amount awarded 20/21
Berkeley Town Council	£1941.36
Bisley-with-Lypiatt Parish Council	£370.33
