Dear Sir

Painswick is known as the “Queen of the Cotswolds “ in an area of area of outstanding natural beauty. It is a large village of historic interest which is in danger of being spoilt by developments. There are very few shops, most have disappeared over the last 20 years. We have lost our post office, fire brigade, hairdresser etc showing the villages decline as a local centre. It has however a range of local community services GP, pharmacy etc.

I therefore believe Painswick should NOT be upgraded to a Tier 2 settlement for the reasons outlined in the answer to question 4c

Yours faithfully
