[REDACTED] of Painswick cannot make exhibition next week. His computer is out of action. [REDACTED]
[REDACTED]

His representations were on two matters:

- 1) Painswick PAI012 Land off Stamages Lane. This land should be upgraded to heritage (built or natural) status or as part of the Conservation Area. It is a locally valued site which significantly contributes to the historic character, amenity and form of the settlement.
- 2) ROW should consider bridleways and horse use more. Issues of recreational conflict with other users (particularly motorised leisure activities). Horse riding interests appear to be often overlooked or underplayed. Consult with local equestrian clubs and the British Horse Society please.
