Subject: Local plan for berkeley/ sharpness

Dear stroud district planners
Please please dont destroy our beautiful area. Yes we need more houses but not this massive town that you are thinking off.
The roads are struggling now with out hundreds more cars. The kids have to be bused to secondrey school in dursley or wotton which is a long day for them and lots of extra buses on the roads. Both primary school are almost full.
The docters in berkeley are struggling to stay open and losing their building.
There's also all the noise and dust that come from dock's. And some of this proposed site is floodplains with lots of beautiful wildlife.
Really hope there is a better plan than this totally unacctable town you wish to build.
Thank you for listening
