I'm a resident of Whitminster village and I
- object to development of site WHI012 (Land South of Hyde Lane, Whitminster) which is well outside the existing development boundary and is served by an undrained single lane road that cannot support twenty houses. The safety of Walkers, dog walkers and joggers would be in danger with so many more cars lots of places have no grass verges or banks.
The wildness of the site,the fauna and flora would be lost for ever.
- object to development of PGP1 (Land at Grove End Farm) for up to 2,250 houses as it will destroy the local character of Whitminster village and extend urban sprawl from Stroud through to Whitminster.
