Dear Sirs.
Re: Possible land for future development.

We the above would like to submit the possibility of our land to be considered for a small local development in the future, to be included in your current Stroud District Local Plan Review.

The land is in Kingswood, situated on the B4060 to Wickwar and is between Somerset Close and Westfield House.
O.S. ST7491NW.

We believe that the top part of the land is already within the proposed village future development boundary. We wish to suggest that the whole parcel of land (which reaches to the lower part of the adjacent Somerset Close) could be included for a small development.
(Please see enclosed diagram.)

There is already vehicular access to Wickwar Road and the land is clearly visible from this road. The total land measures 0.481h.

Yours Faithfully,
