Stroud District Council is starting the process of reviewing the current Local Plan. This consultation is seeking views about the range of issues that the next Local Plan will need to tackle, and options for addressing them. This includes the identification of potential areas for growth and development. We ask a series of questions throughout the consultation document (each of which is numbered). Please refer to the question number and/or topic in your response, where relevant.

You can download a PDF or an editable electronic copy of this form from our website www.stroud.gov.uk/localplanreview. You will also find the main consultation document on this web page, as well as some supporting material and further reading. Please note: there is a separate form for you to fill out if your comment relates specifically to a site submission / proposed alternative site (Local Plan Review: Call for Sites).

The consultation closes on Tuesday 5<sup>th</sup> December 2017. Please email completed electronic responses to local.plan@stroud.gov.uk or post paper copies to Local Plan Review, The Planning Strategy Team, Stroud District Council, Ebley Mill, Westward Road, Stroud, GL5 4UB. Should you have any queries, the Planning Strategy Team can be contacted on 01453 754143.

In order to maintain the unique nature of Stroud Town and its local context we would wish to advocate for the maintenance of the green fields in the area locally known as "Baxters Fields which adjoin Summer Street and the AONB of the Slad Valley. This green space has very important landscape importance for the area and local people as viewed from all angles within the Slad Valley and should be adopted as a Local Green Space by the Distrcit Council in its Local Plan review process. In addition to local people enjoying the landscape it adds to the overall attractiveness of the area and brings money into the local economy via tourism.			
Thank you.
