Subject: Objection to PS29 Dursley

Categories: Consultation response

Hello,

I'd like to strongly object to development PS29 off Uley Road. As a long-time Dursley resident I can see that resources for the people of Dursley have either remained the same or been cut over the years, despite the significant rise in population. There is no way our public services, our roads, or our wildlife would be able to thrive with this additional development. Additional development would also run the risk of Dursley becoming an undesirable place to live. We should be proud of and nurture our beautiful green fields, not trash them with more roads and housing.

Yours sincerely
