(Berkeley Cluster)

Dear Stroud District Council,

My name is: _____

I live in: Berkeley

I have been told that more than 5000 new homes will be built on fields in this area. I think this ~~is~~ isn't a good idea because:

The infrastructure around the area will not be able to cope with that many new houses.

There will not be enough facilities, i.e. doctors, dentists, schools and parking.

The wildlife will diminish.

The roads are already congested in the mornings as it is, even more houses will create even more traffic and pollution.

It will lose the ruralness which us residents love so much!
