Crest fully supports the continued allocation of Hunts Grove Extension for 750 dwellings. The wording of PS30 reflects that set out within the adopted Local Plan under SA4, which has already been subject to examination. (Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The adopted policy criteria should be carried forward, as proposed although criterion 13, which requires the safeguarding of land for the potential future provision of a railway station does not relate to land contained within the area covered by the allocation and should therefore be deleted to ensure the policy is both justified and effective.
