Dear [REDACTED]

Thank you very much for your comment regarding Merrywalks.

The District Council is currently consulting local people on what facilities and services are needed in our town centres as part of the review of our Local Plan.

Your comments will be added to those we are receiving by the end of the consultation period on 5 December 2017. If you have any further comments you would like to make on what is good about and what needs improving at Stroud town centre please send them to us by this date.

The District Council will be talking to town councils and other stakeholders once the consultation period has ended to discuss what improvements can be made at our town centres.

If you would like further information on the review of our Local Plan, please go to www.stroud.gov.uk/localplanreview

Regards

Planning Strategy Team

I really miss having some kind of bakery in merrywalks ,It was close to the bus stop it was handy,I do love greggs bakery and walkers but don't really always have time to go to the top of town,and sometimes you want somewhere warm to wait for your bus thats not to far away,I hope any future changes in merrywalks highlight this,the orginal bus station had a cafe ,it's an awful shame nothing is there to replace it,I feel for the elderly who have to shiver while they wait for there bus.
