i live in Leonard Stanley they are in the middle off building 150 new houses.in the last 18 months the traffic from Cam to kings Stanley as increased a lot it is now a rat run.i have been hit off of my push bike twice this year.once from behind and once head on as a car was trying to overtake another car.i travel that way a lot but it is getting more and dangerous.but once i get to barkley i can travel all the way to the severn bridge and not see another car.If the go ahead for more houses in Leonard Stanley and cam get the go [ahead.it](#) won't be safe enough to go out on my push bike.
