Dear Sir or Madam,

I wish to object to the proposed housing development PS29 (Ganzel Lane, Dursley, Gloucestershire).

I am providing the following reasons for objection, in no order of priority:

- Land has extremely poor drainage
- Employment in Dursley is near non-existent.

- Proposed site is the wrong side of town. Therefore the increased traffic will create a bottleneck.
- Better sites are available; for example near to Cam Railway Station.
- To consider such a plan is mindless; it will inexorably lead to yet more pollution and will undermine attempts in reducing this
- In the event of Brexit, I believe that more farmland will become important.
- Green spaces are essential for the preservation of nature and for our own health

Yours Sincerely,
