Key Findings and Issues	<ol style="list-style-type: none"> 1. Off-site school playing field 2. Non turf strip rated poor and now redundant. 3. Rugby is the sole remaining pitch (currently cut and marked), but posts rusty. No community use. 4. Flat, level, attractive site with various sports/options pursued over the years. 5. Minimal school use because of distance from school and this is unlikely to change 6. Changing facilities now fenced off and out of use; could be reinstated. 7. Important site in Dursley and future options should be investigated.
