### Strategic & Non-strategic Policies

As set out in the 2019 NPPF, the LPR should include strategic policies which address the Council's identified strategic priorities for the development and use of land in the plan area (para 17). These strategic policies should set out an overall strategy for the pattern, scale and quality of development (para 20). The LPR should make explicit which policies are strategic policies (para 21) and clearly distinguish non-strategic policies from strategic policies (Footnote 13).

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness

matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The LPR should include a clearer statement of which are strategic and non-strategic policies.

**Please note** In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

**After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.**

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

**No**, I do not wish to participate in hearing session(s)

**Yes**, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

---

The HBF is the principal representative body of the house-building industry in England and Wales. Our representations reflect the views of our membership which includes multi-national PLC's, regional developers and small local builders. In any one year, our Members account for over 80% of all new "for sale" market housing built in England and Wales as well as a large proportion of newly built affordable housing. The HBF wish to attend the Stroud LPR Examination Hearing Sessions to discuss the above representations in greater detail.

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
