

Stroud District Council is starting the process of reviewing the current Local Plan. This consultation is seeking views about the range of issues that the next Local Plan will need to tackle, and options for addressing them. This includes the identification of potential areas for growth and development. We ask a series of questions throughout the consultation document (each of which is numbered). Please refer to the question number and/or topic in your response, where relevant.

You can download a PDF or an editable electronic copy of this form from our website www.stroud.gov.uk/localplanreview. You will also find the main consultation document on this web page, as well as some supporting material and further reading. **Please note: there is a separate form for you to fill out if your comment relates specifically to a site submission / proposed alternative site (Local Plan Review: Call for Sites).**

The consultation closes on Tuesday 5th December 2017. Please email completed electronic responses to local.plan@stroud.gov.uk or post paper copies to **Local Plan Review, The Planning Strategy Team, Stroud District Council, Ebley Mill, Westward Road, Stroud, GL5 4UB**. Should you have any queries, the Planning Strategy Team can be contacted on 01453 754143.

The consultation is seeking views about whether the big issues identified within this paper are the right things to focus on and what options exist for tackling them. Are there other issues, options or opportunities that have been missed? **Please note: there is a separate form for you to fill out if your comment relates specifically to a site submission / proposed alternative site (download a copy of the sites form at www.stroud.gov.uk/localplanreview).**

We ask a series of questions (highlighted in pink boxes) throughout the consultation paper. Each of the questions is numbered. Please can you reference the question number(s) and/or the topic here:

Question number: 2.3C

Please use this box to set out your comments:

(Attach additional sheets of paper or expand this box if you need to)

Site Ref. NAIA (Land North of Nympsfield Road/Nortonwood Junction) is in a sustainable location and is located adjacent to Nailsworth's settlement boundary that is considered to be a Tier 2 Settlement / Local Service Centre where housing growth should be focused in the District (as set out in the Local Plan).

The site at circa 1.4 hectares could accommodate a significant number of dwellings (circa 40 dwellings).

Access is currently gained from Nympsfield Road, which has good visibility and is the subject of a 30 mph speed limit.

The site is sufficiently screened from the surrounding open countryside and low lying hedgerow currently fronts both Nortonwood Road and Nympsfield Road.

There would appear to be no overriding physical constraints or potential impacts preventing sensitively located development for a medium to large scale housing scheme. It should be considered that the site is the only preferred option in Nailsworth that has been selected as a broad location for future growth, which has been identified to accommodate a medium to large housing development.

Site Ref. NAIB (Land South of Lower Newmarket Road) is circa 0.14 hectares and is only able to accommodate small scale housing (circa 4 dwellings) as set out in the 2017 SALA (appendix 3). Site Ref. NAIC (North of Avening Road) has only been selected as an option for potential employment growth.

Bruton Knowles would like to express that the site is in single ownership and is immediately available and deliverable over the next 5 years. For these reasons the site would make an appropriate residential allocation.

DISTRICT
COUNCIL

Local Plan consultation on further Post-Submission Proposed Changes
July 29th – September 9th 2015
www.stroud.gov.uk/consult

The Stroud District Local Plan Review: Issues and Options Paper identifies a number of sites around the District's main settlements with potential for future growth. The Council is inviting the submission of **alternative potential sites** for consideration as part of the review of the Local Plan, including sites at smaller villages that could also benefit from some future development.

Please use this form to provide information on sites in Stroud District, which you would like to suggest as suitable for:

- New housing development of **five dwellings or more**;
- Sites of **0.25 hectares** or **at least 500 square metres of floorspace**, which could be suitable for economic development, other residential development, retail or community uses.

Please fill out an individual site submission form for each site you would like to submit for consideration. Your form must be accompanied by a site location plan (on an Ordnance Survey base), clearly identifying the site boundaries and the site access point(s).

This call for sites closes **on Tuesday 5th December 2017**. Sites submitted as part of the Local Plan Issues and Options consultation will automatically be considered for inclusion in future updates to the Strategic Assessment of Land Availability (SALA) and the Brownfield Land Register, as appropriate.

Please email completed electronic responses to local.plan@stroud.gov.uk or post paper copies to **Local Plan Review, The Planning Strategy Team, Stroud District Council, Ebley Mill, Westward Road, Stroud, GL5 4UB**. Should you have any queries, the Planning Strategy Team can be contacted on 01453 754143.

Site Submission form PART A

All sites submitted through this Call for Sites will be assessed for their suitability, availability and achievability and cannot be treated confidentially. Please note we will not process any anonymous responses.

Your details

Please fill out your personal information in PART A. This part of the form (PART A) **will not be made public** and your contact details will only be used for the purposes described above.
