Subject: Objection

Dear sir or Madame I'd like to state an objection to the application to build houses behind Dursley junior school at Highfields . These lovely fields are an important area for the locals to enjoy , my recollection was that nothing was meant to happen for seven years from last time they were described as fields of natural beauty and that black crested beetles inhabited the area , so why has it surfaced again so much sooner only 4 years . As a resident of Highfields the toads in Dursley at peck times are now a nightmare so building more houses thus close to the town is just going to cause more problems than it will ease . Please inform me of how to state my objection . Yours sincerely [REDACTED]
