Review of Local Plan (Emerging Strategy)

I wish to register my objection to any proposal to include for development any land in the area designated G1 in the consultation document, whether the requirement is to provide overspill for Gloucester City or just to increase the available land for development within Stroud District Council

The proposal is not required in this area and in the timeframe being considered to meet our local needs, which are being provided for at Hunts Grove.

Any further development will completely destroy the remaining rural character of the Parish east of the Gloucester and Sharpness Canal

Furthermore it is contrary to the Hardwicke Neighbourhood Development plan.
