4. Do you consider the Local Plan is :

4.(1) Legally compliant	Yes	<input type="text" value="yes"/>	No	<input type="text"/>
4.(2) Sound	Yes	<input type="text"/>	No	<input type="text" value="no"/>
4 (3) Complies with the Duty to co-operate	Yes	<input type="text" value="yes"/>	No	<input type="text"/>

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

There is a potential anomaly arising from the use of the term 'modest' as a description of the level of growth deemed appropriate at Tier 2 Local Service Centres, if Hunts Grove is included within this category, which it should be for reasons set out above. In the case of Hunts Grove (1,750 dwellings being built out) the Local Plan carries forward an allocation of 750 new homes to be delivered at Hunts Grove via an extension to the existing settlement. (Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

This level of growth, within the context of the Local Plan, is clearly not 'modest' and therefore to make the Policy justified and effective the descriptor should be removed. The wording of the policy can function satisfactorily without use of the term and therefore it should be deleted.

Please note In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

 Yes

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

To assist the Inspector regarding the preparation of a sound Local Plan.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
