Please find attached our response to the draft Local Plan.

I would be happy to discuss any of our comments in more detail if required.

Several of the issues raised are linked to the review of our NDP – we would welcome the opportunity to work together to progress them.

Kind regards

Subject: Stroud District Local Plan Review: Draft Local Plan Public Consultation

Dear Town/Parish Council Clerk,

Stroud District Local Plan Review: Draft Local Plan Public Consultation

The Stroud District Local Plan was adopted in November 2015 and sets out a planning strategy for distributing development within the District and policies for protecting and conserving the natural and built environment. The current Plan covers the period to 2031. It is important that the Local Plan is kept up-to-date and the current Local Plan commits the Council to undertake an early review.

The District Council started the process of reviewing the current Local Plan in 2017 with an Issues and Options consultation to cover the period to 2040. This was followed by a consultation on an Emerging Strategy in 2018. We have now reached Draft Local Plan stage and this consultation sets out the Council's vision, strategy, sites and policies for meeting development needs over the next 20 years.

The public consultation will run for 9 weeks from **20 November 2019 to 22 January 2020**.

We want people to engage fully in this process so that responses can be fed into the final stage of preparing a final Draft Local Plan for submission to the Government during 2020.

You will receive a complimentary copy of the Draft Local Plan in the post. The Draft Local Plan and supporting and background papers are also available to view and download at www.stroud.gov.uk/localplanreview. Hard copies of the documentation are also available at the following locations:

- Town and parish council offices that open to the public: Berkeley, Cainscross, Cam, Chalford, Dursley, Minchinhampton, Nailsworth, Painswick, Rodborough, Stonehouse, Stroud, Upton St Leonards, Wotton-under-Edge
- Public libraries at Berkeley, Brockworth, Dursley, Nailsworth, Minchinhampton, Miserden, Quedgeley, Stonehouse, Stroud, Wotton-under-Edge
- Stroud District Council, Ebley Mill reception There are computers for public internet access here as well.

We are holding public exhibitions around the District during the consultation period. This will provide an opportunity to chat to officers working on the Local Plan review. Time and venue details can be found on the webpage
