

Stroud District Council is starting the process of reviewing the current Local Plan. This consultation is seeking views about the range of issues that the next Local Plan will need to tackle, and options for addressing them. This includes the identification of potential areas for growth and development. We ask a series of questions throughout the consultation document (each of which is numbered). Please refer to the question number and/or topic in your response, where relevant.

You can download a PDF or an editable electronic copy of this form from our website www.stroud.gov.uk/localplanreview. You will also find the main consultation document on this web page, as well as some supporting material and further reading. **Please note: there is a separate form for you to fill out if your comment relates specifically to a site submission / proposed alternative site (Local Plan Review: Call for Sites).**

The consultation closes on Tuesday 5th December 2017. Please email completed electronic responses to local.plan@stroud.gov.uk or post paper copies to **Local Plan Review, The Planning Strategy Team, Stroud District Council, Ebley Mill, Westward Road, Stroud, GL5 4UB**. Should you have any queries, the Planning Strategy Team can be contacted on 01453 754143.

The consultation is seeking views about whether the big issues identified within this paper are the right things to focus on and what options exist for tackling them. Are there other issues, options or opportunities that have been missed? **Please note: there is a separate form for you to fill out if your comment relates specifically to a site submission / proposed alternative site (download a copy of the sites form at www.stroud.gov.uk/localplanreview).**

We ask a series of questions (highlighted in pink boxes) throughout the consultation paper. Each of the questions is numbered. Please can you reference the question number(s) and/or the topic here:

Question number: OAK.A

(Attach additional sheets of paper or expand this box if you need to)

We respond only in respect of the proposal for extension of the village plan for Oakridge Lynch, to provide for housing in the area marked OAK.A.

We are wholly in favour of this proposal, SO LONG as the development on that area includes substantial provision for hopefully social housing, or at worst private development on small units priced so that young people could afford to buy. In addition any development should include small bungalows suitable for older people which should be subject to a restriction that they cannot be converted to houses. Only by keeping a mix of population will the village amenities: school, shop/post office, pub be viable. At the moment there is no reasonably priced housing in the village, which we consider vital to a mix of population, and in particular for young people who have grown up in the village but are not in highly paid jobs to remain here. Our strong preference is for social housing, to provide the diversity the community is currently lacking.
