

# **PS34 & PS36 Photographic Evidence**

**PS34 Sharpness Docks + PS36 Sharpness new settlement**

as part of

**Response to Stroud District Local Plan Review  
Pre-Submission Draft Local Plan  
Regulation 19 Consultation May 2021**

This evidence consists of 8 images, 1 per A4 landscape page.  
Each image is an annotated collage of 4 photos.

All these 8 images/collages are relevant to both PS34 & PS36  
due to urban impact examples & cross-over of recreation/visitors.
